Directions to Mazars in Bristol

By Road

From M5 junction 19

Leave M5 at junction 19, and take the A369 exit for Bristol marked 'Clifton (Toll)'. Continue for 3 1/2 miles following signs for Suspension Bridge. Keep in the left hand lane, following the arrows to Suspension Bridge. There is a 50p bridge toll and exact change is needed.

On crossing the bridge, look for the Mall public house which is on the right hand side of the road. The office is located a further 100 yards on the right, opposite the obelisk on the green.

From the south A38

Heading towards Bristol on the A38, turn left onto the outer ring road, A3029/A369, and continue west until signs for the Clifton Suspension Bridge are seen. Follow directions from the bridge as above.

From the City Centre

From Park Row or Park Street travel towards Clifton and continue onto Triangle South. Follow the road around to Triangle West. Stay in left lane and turn left into Queens Road upon reaching the Victoria Rooms (with fountains outside).

Keeping left, turn into Victoria Street and onto Merchants Road. Turn right into Clifton Down Road. At the mini roundabout turn left onto Beaufort Buildings towards the Suspension Bridge. The office is on the left opposite the obelisk on the green.

For our visitor Car Park, turn into the driveway at the side of the office which leads to spaces clearly marked Mazars.

By Rail

Trains depart from London Paddington to Bristol Temple Meads. The office is a 15 minute taxi journey from the station. Alternatively, catch the number 8 bus and ask for the Christchurch stop. The office is opposite the obelisk over the green behind the bus stop.
