Investigation Services

The credit Crunch

a new set of rules
a new wave of disputes
a need for innovative resolutions

Mazars is an integrated international business advisory firm specialising in audit, tax and advisory services.

- 10,500 professionals, 568 partners
- 50 countries
- €745 million turnover

Mazars is a truly integrated firm with a proven track record in delivering a seamless partner-led service throughout the world. We provide a tailored solution to all our client's needs. We call it the personal touch backed by big experience.

Our clients include large public interest organisations, entrepreneurs and owner-managed businesses as well as private individuals. Mazars acts for 17 percent of the FTSEurofirst 100 and audits more FT Global 500 companies than any other single firm.

In the UK we have over 100 partners and 1,100 employees in our 17 offices.

Our Team *continued*

Tom Mitchell – Director, Edinburgh

Tom has acted in a wide range of expert witness and investigation assignments including fraud investigations, investigations into serious governance failures, loss of profits claims, transaction disputes and professional negligence cases.
